

HOW TO ACCESS OUR RESOURCES OFF CAMPUS

Our physical McMillen Library is only the tip of the iceberg - our online resources and digital holdings are the largest part of our collection! Our Librarians are equipped with knowledge and information to help you achieve your academic goals.

If you are off-campus, please log into the student portal at "my.indianatech.edu" first, in order to properly authenticate your credentials for the library subscribed databases. Use your Indiana Tech username (email address) and password to login.
